

## UBC Okanagan School of Nursing REQUISITE SKILLS AND ABILITIES DECLARATION FORM

Certain basic skills and abilities are required for a student to attain the Competencies in the Context of Entry-Level Registered Nurse Practice in British Columbia. BCCNP, in conjunction with the Nursing Education Council of British Columbia, identified these requirements. They are called the Requisite Skills and Abilities for Registered Nurses in British Columbia and are set out in this document.

**I declare that I have read the document**, “Requisite Skills and Abilities: Becoming A Registered Nurse in British Columbia” found at the following link:

If, now or at any time during my education program, I believe I may have difficulty demonstrating meeting the Competencies in the Context of Entry-Level Registered Nurse Practice in British Columbia and/or I would like assistance or accommodation to be able to demonstrate meeting the Competencies in the Context of Entry-Level Registered Nurse Practice in British Columbia, **I acknowledge that it is my responsibility to make this request** by contacting one of the following:
